2. All these scholarships are tenable for a period of ten months from the date of re-opening of the schools after the summer holidays, subject to satisfactory conduct, attendance and progress.

3. The rates of scholarships awarded to failed candidates should invariably be three-fourths of the sanctioned scale.

4. *The Secretaries of the District* Ad-Hoc *Committees* in consultation with the Chairmen are competent to deal with questions of—

(*a*) transfer of scholarships from one school to another when a student who is awarded a scholarship leaves one school and joins another;

(*b*) cancellation of scholarships on receipt of unsatisfactory reports from the Heads of Institutions as regards the progress, conduct or attendance of students to whom scholarships have been awarded; and

(*c*) Filling up scholarships falling vacant owing to such reasons as the death of the scholar or discontinuance of his studies.

5. *Head Masters of High Schools* may on the results of the First Terminal or Selection Examination or for any other valid reason reduce the scholarships of undeserving candidates as per the Director of Public Instruction's Circular No. 16 of 28-29, dated 8th April 1929 and Circular No. 25 of 29-30, dated 25th April 1930. In deserving cases, such reduced scholarships may also be restored by them but this should not be done later than the end of January every year. Supervision :—

(*a*) To arrange for the printing and the distribution of all the necessary forms to the Secretaries of the District and Taluk Scholarship Committees.

(*b*) To allot scholarships of the various grades among the several districts and taluks and among the various communities in the State in accordance with the principles laid down by Government from time to time, and to collect and compile all statistics necessary for such allotment.

(*c*) To see that the scholarships of the various grades are awarded in time by the Taluk or District Committees, as the case may be, or, in the case of lapses under any community in any district, to award such lapsed scholarships to the candidates who belong to that community and are recommended by any other Taluk or District Scholarship Committee. The Director reserves the right of cancellation of awards where it is clearly evident that there has been irregularity or where it is established that a candidate is well to do.

(*d*) To reappropriate, and if thought desirable, to re-allot, amounts which have lapsed in any district area in accordance with the rules prescribed in para VI *infra* for such re-allotment.

(*e*) To receive and consider the reports of the District Scholarship Committees upon the working of the scheme in each district.

(*f*) To draw and submit to Government *before the end of March in each year* an annual report upon the working of the entire scheme throughout the State.

V. The following principles shall be adopted for the allotment of scholarships :—

1. The total number of scholarships allotted to the different grades as per Appendix I shall be first divided among the different communities or groups of communities in proportion to their total population in the State. The distribution made according to this rule is shown in Appendix II.

2. The scholarships allotted to each group or community as stated above shall be sub-divided among the several districts and taluks on the basis of the total attendance of the number of pupils of that community or group in the respective grades of education in the previous year in each unit area. A table showing the allotment made according to this calculation is shown in Appendix III.

3. In the distribution of the scholarships allotted to a group of communities the scholarships awarded to each community within that group, should be in proportion to its population, provided there are applicants to that extent.

VI. The following principles shall be adopted for re-allotting the scholarships :—

1. If any scholarships remain unutilised in any grade in a district, they shall be first made available to pupils of the same grade and of the same "community" or group in the other districts in which the allotments fall short of the number required, the distribution being made proportionately to the needs of each district.

2. If after such re-allotment scholarships of any one grade remain unutilised, they shall be granted to pupils of the same community or group in other grades in any district, each lower grade being taken after the requirements of the one immediately higher are satisfied.

3. Those scholarships which still remain unutilised even after transfer to other districts may be given to other communities or groups of communities in the order of their illiteracy or may lapse to Government.

VII. All students to whom Backward Class Scholarships are awarded shall be considered free students, and fees collected from them till the date of award shall be drawn on refund bills from the Treasury and refunded to them. These free-studentships shall be in addition to the 20 per cent usually allowed in all Government and Aided Institutions.

N.B.—These scholarships shall be awarded to boys only and none but regular students in any institution in the State and Mysoreans by birth or domicile are eligible. No scholarship awarded after December shall be considered valid.

VIII. (1) The work of the *Ad-Hoc* Scholarship Committees should be done by Head Masters with their ordinary staff, and no separate clerical allowance will be given for this purpose.

(2) The following procedure shall be adopted for the drawing of these scholarships:—

(i) The scholarships of all grades in respect of students in Government Institutions shall be drawn by the Head Masters of those institutions on scholarship bill forms and disbursed to the students after their acknowledgments are taken in the acquittance roll.

(ii) In the case of Aided Institutions, the scholarships shall be drawn on scholarship bills signed by the Head Masters of institutions and countersigned by the Inspecting Officers in direct charge of the schools.
